1999 Chardonnay

Estate Bottled, Mendocino County

91 pts. "...A Chablis-like wine of exceptional acidity, rapier texture, and a taste of gunmetal that veers ever so slightly into peach. This is a wine with an edge, a nervy wine that's super-clean. Don't think it's a simple wine. It's not."

★★★★ EXCELLENT "...A supple, full bodied, elegantly flavored Chardonnay, which is subtle and complex, tasting of roasted nut and pineapple, with overtones of honey, baked bread and lemon peel."
